

Dear members and/or parents/guardians,

We hope that, after a lovely summer, you're just as keen as we are to make this another wonderful cultural season with and at Foundation.

We've now settled in quite well at our new premises at Bijlmerplein 99, and we'll be reopening our doors on 31 August to welcome you all back!

With effect from this season, we have also had to make a number of adjustments to the prices of membership packages for both young people and adults.

Youth

For the youth, we have decided to stop offering the subscription for two lessons a week; only an annual subscription is now available. The decision to offer fewer subscription options stems from the fact that we have noticed most pupils attend – or wish to attend – more than once a week, and they then do not have enough credits. This causes a great deal of disappointment amongst the children when they realise they cannot take part in the lessons. The decision to offer only annual subscriptions is primarily a substantive one. From the start of the season, we work towards two performance events each year, and we also want to be able to work through the curriculum devised by the teachers with the pupils.
